RE: 2009 Drain Layer License Application

The following is needed to become a drain layer for the Town of Cohasset:

- 1.) Certificate of Insurance, with the Town of Cohasset specifically named, in the sum of \$2,000,000. "to cover General Liability, including bodily injury, property damage and \$500,000 for excess liability umbrella coverage including but not limited to explosion, collapse or underground damage. (Article III sec 317; Building Sewers and Connections).
- 2.) A performance bond for \$20,000, the original, please. "To guarantee the quality and timely performance of the license holder's work" (Article III sec. 317 Building Sewers and Connections).
- 3.) Three (3) letters of reference from other communities where you hold a drain layer license.
- 4.) Annual Permit fee of \$200.00 made payable to the Town of Cohasset.

The Cohasset Sewer Commission reserves the right to establish new, revise, amend or otherwise alter criteria, policies, requirements and regulations related to the issuance of Drain Layer Licenses and the execution of work governed by said license, without prior notice to the licensee. It is the Drain Layer's responsibility to be fully familiar and updated with such requirements prior to the execution of any work under the domain of the License.

Should you have any questions please call the undersigned at 781-383-4108.

Sincerely,

For the Sewer Commission
